**APPLICANT'S CONSENTED MOTION
FOR SUSPENSION OF PROCEEDINGS**

Applicant, pursuant to Trademark Rule 2.117(c), moves the Board for a three-month suspension of the immediate proceedings. To the extent this matter is re-opened after the expiration of the three month suspension period, Applicant requests an additional twenty (20) days to Answer or otherwise plead. Applicant submits that good cause for the immediate suspension exists because the parties have engaged in settlement discussions and the additional time will allow the parties to continue all such settlement discussions, which if successful, will resolve the immediate Opposition. Applicant has been advised by counsel for Opposer that Opposer consents to the immediate Motion.

Wherefore, Applicant respectfully requests a three-month suspension of the immediate proceedings with twenty (20) days to Answer.

Respectfully submitted,

Joseph J. Ferretti, OBA #15231
